~ What's SIS? ~

The Tokyo Special Import-Car Show is the largest trade event open for professionals and car enthusiasts offering a range of latest vehicles and concept cars, vintage cars, aftermarket parts, new product release events, and exclusive information release. The show represents the entire automotive performance, accessory and the specialty product industry for imported cars, all in one location.

The past show in 2007 has featured 243 companies ranging from aftermarket makers for imported cars, importers, specialty shop owners, wholesalers, organizations, and Press Medias, which attracted 57,525 visitors nationwide.
